## PROFILE SUMMARY

Hello! I'm Naimish Rathod, a curious and passionate individual currently studying Bachelor of Computer Applications (BCA) at Harivandana College, Rajkot. I have a thirst for knowledge and a desire to continuously learn new things. My true passion lies in programming, and I'm excited to explore the world of computer science, web development, and technology trends.

## WORK EXPERIENCE

**Green tauras technology**               2024 - PRESENT
Web Development - Internship

- I am currently undertaking an internship at Green Tauras Technology, located in Rajkot. During this internship, I am gaining hands-on experience with a range of web development technologies, including HTML, CSS, and JavaScript, which are essential for building dynamic and interactive web pages.
- Additionally, I am learning WordPress, a popular Content Management System (CMS) used for creating and managing websites. This internship is providing me with valuable insights and skills in the web development industry

## PROJECTS

**PSD to Resoinsive website**

- I successfully converted a PSD design from Photoshop to a functional website using HTML, CSS, and JavaScript.
- Through this project, I demonstrated my skills in front-end development, attention to detail, and ability to work with various technologies to bring a design concept to life.

**Personal portfolio using Wix Studio**

- I designed and developed a personal portfolio website using Wix Studio, showcasing my skills and experiences. I successfully published the website, making it live and accessible to the public.
